## **Free Medical Camp Praise Report**

**Thank you for joining us in prayer! It was a great success!!!**

***The weather was perfect!!! At the very end of the camp it rained for about an hour and they say here in Kenya, that rain at the end of an event is a blessing from God! The tent held up okay but during that hour of rain it was difficult to find a spot that wasn't dripping. The weather was great for Sunday Services in the tent and on Monday, again, great weather for tent take-down!***

***This camp was a joint effort of Jesus Frees Ministries, Redeemed Gospel Church Kamakwa, Pastored by Benedict & Mary Nzue, and the Kenya Nurses Association.***

***Daily 60 volunteers gave their time to help the bodies and souls of the hurting in the Kamakwa area.***

***Donated water and juice were given by the Highlands Drink Company and Nyeri Town-View Restaurant donated awesome meals for the nurses, doctors, spiritual counselors and ushers.***

***Praise Report:***

- ***In the 3 days, 560 patients were treated for various health problems.***
- ***Over \$4,000 in donated and purchased medication was given!!!***
- ***295 Blood sugar screenings***
- ***20 Units of Blood were donated***

**Mike participated in the blood drive**

- **And we are so excited to report that... 67 people began Walking With Jesus by receiving Him as Savior and Lord!!!**
