

*JFM founders, Mike & Cheryl Freese,  
are committed to following the Savior's  
command to "Preach the Good News"  
around the world while ministering  
the Love of the Father  
to the fatherless and impoverished.*

***Greetings from Mike and Cheryl!***

***Today, Wednesday May 7th, the JFM Tent was set up in preparation for the  
Free Medical Camp that will begin tomorrow ( that will be your  
Wednesday evening) in Kiganjo Kenya.***

***We are grateful for the way our Master is bringing all the details together!  
The rains held off today for the tent setup!***

***Thirty volunteers came to help and, thankfully, everything went smoothly!  
JFM received 500 blood sugar test strips and sufficient prostate cancer test kits!***

***Several Kenyan pharmaceutical companies donated medicines to the camp!***

***Lions Club and Eden Song Ministries made donations of reading glasses!***

***Several churches loaned us plastic chairs!***

***The best thing... while setting the tent, 2 people came by and received the Good News!***

***If you can pray with us over the next few days, we would be so grateful.***

***We want to see souls transferred from the kingdom of darkness into  
the Kingdom of God and we want to see the sick healed!!!***

***Please pray for all the volunteers: spiritual counselors, medical staff and ushers.***

***After the camp we will email a report on the medical camp and the April ministry  
opportunities.***

***God bless you for standing with us in prayer!!!***

***With grateful hearts we say "Thank You"  
to those who help this work.***

***Lives are being changed for eternity!***
