May 2024 - Flooding in Kenya

Please pray for Kenya as unusually heavy rains have led to flooding, road closures, and dangerous driving conditions in various places nationwide. A dam was breached in Kijabe, and at least 45 people died. Continued heavy rains and localized flooding are expected.

The only flooding problem encountered by the JFM churches happened after a 4-day outreach at the JFM Katunga church. Pastor Ruben from the JFM Chumvi church was bringing back the small tent, sound equipment, and several church members. Shortly after leaving Katunga, it began to rain heavily. The truck's 4-wheel drive system has been inoperable for a few years; consequently, the truck got stuck and had to be abandoned. They freed the vehicle the next day, but one of the wheel bearings and the axle was damaged, and the truck was not drivable. The group was forced to walk 10 miles back to Chumvi! Please join us in praying for the needed parts and a mechanic to travel to this remote village.

Praise God! Fifteen people committed their lives to Jesus at the JFM Crusade in Katunga!

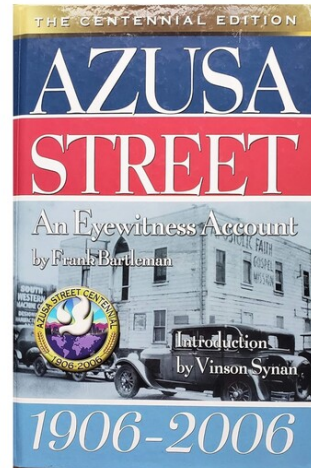

Matthew 10:8 Heal the sick, raise the dead, cure those with leprosy, and cast out demons. Give as freely as you have received!

A personal note from Mike and Cheryl

We thank God for a safe trip back to the United States! While waiting for our flight at the Nairobi airport last month, we met two Christian brothers who work with "Christ For All Nations," founded by the late Reinhard Bonnke. The men were headed to Tanzania and then on to the Congo for evangelistic outreaches. We had a beautiful time of fellowship and prayer at the airport!

The ministry of Evangelist Reinhard Bonnke is dear to our hearts. The Holy Spirit called us to work full-time in Kenya on April 28, 2006, at the Azusa Street Centennial conference in Los Angeles. Later that evening, we heard Reinhard Bonnke preach a powerful message about reaching the nations. Two months later we arrived in Kenya and began Jesus Frees Ministries!

I (Cheryl) would like to thank you for standing with me in prayer for a successful surgery. I'm two weeks into the 6-week recovery and doing very well. God willing, we will return to Kenya on June 4th.

We love and appreciate you!
