Safe In Kenya

together before they returned to the U.S.A.

Our trip from the U.S. to Kenya went very well and it was wonderful to come "home" to two missionaries from Tennessee, Teri and Tim Hudson working with Project Kenya. They had been staying in our compound while we were in the States and we enjoyed nearly 3 weeks

On September 22, we were at an African Inland Church in the nearby village of Gitathini. **25 members** had completed their Bible League workbooks and were **ready to receive their Bibles!**

10 of the women needed help seeing the small print and were thrilled to receive **reading glasses** donated by the Ladies Bible Study class at Valle Vista Assembly. Thanks and God bless you V.V.A.G. Ladies!!!

Terrorism in Kenya at the Nairobi Westgate Mall

Saturday, September 21st, Mike and I were just outside of Nairobi for a pastor's meeting. When it finished we headed into Nairobi to shop for some things we can't find in our town. When we heard the news of the terrorist shooting at the Westgate Mall, we turned around and headed back home to Nyeri. We are safe in Nyeri but the way the world is going, there are truly no guarantees of safety. As Christians, ours is to continually trust in God as we see the last days unfolding before our eyes.

Mark 13:7-8

But when you hear of wars and rumors of wars, do not be troubled; for *such things* must happen, but the end is not yet. For nation will rise against nation, and kingdom against kingdom. And there will be earthquakes in various places, and there will be famines and troubles. These *are* the beginnings of sorrows.

We miss our family and friends very much but there are seeds to plant and a harvest to reap!
