### **JFM Free Medical Camp**

*Immediately upon returning to Kenya, we began preparing for a JFM Free Medical Camp. The camp was held in Karatina Kenya on August 26th and 27th. What a blessing to have Pastor Sherry Cox, R.N. in Kenya to help with this camp. In 2009 she organized the first JFM camp.*

**450 KENYANS RECEIVED FREE MEDICAL CARE AND 39 RECEIVED "THE JOY OF SALVATION" IN THE SPIRITUAL COUNSELING SECTION OF THE CAMP!!!**

*The next day, Sunday August 28th, we received a forwarded message from the camp host pastor, Moses Kamau. His message read, "We give God the glory that Jesus Frees Ministries has been a blessing to Karatina. The "Joy of Salvation" gospel tracts JFM provided are greatly anointed. A man called me this morning at 6 a.m. Although he was not in the medical camp he was given a Joy of Salvation tract. After reading it he was convicted by the Holy Spirit to give his life to Christ. To God be the glory!"*
