

January 19, 2026

Dear Faithful Partners and Friends,

On behalf of Jesus Frees Ministries, we extend our heartfelt thanks for your prayers, generosity, and unwavering support in 2025. Because of your partnership, we have witnessed God move powerfully, transforming lives and communities in remarkable ways.

Through your faithfulness, 16 JFM Schurches have been planted since 2010, bringing the hope of the Gospel to new areas. Across these 16 churches, food and medical relief have been provided to destitute widows and fatherless children, and our pastors receive monthly support. In 2025 alone, 181 people received Jesus Christ as their personal Savior, and 47 believers were baptized. To further equip God's people, 78 Bibles were distributed. We rejoice that three JFM pastors were sent to Bible school to invest in biblically grounded leadership. In Katunga, a new church building has been constructed to replace the former structure destroyed by a storm. It is a testimony to these believers in God's faithfulness.

A fully completed mission center, capable of sleeping 35 people and hosting teaching conferences and ministry meetings, now stands as a hub for discipleship and outreach. In addition, a missionary's bungalow for long-term mission trips has been completed, strengthening our ability to host and support servants of the Gospel. To support ministry outreach to remote areas, two late-model Land Cruiser vehicles were purchased through your fundraising efforts. At our Kenya headquarters, a new water pump for the well has been purchased, and a large baptismal tank has been constructed, enabling believers to publicly declare their faith.

Education remains a vital part of our mission. A first-grade class was launched at the JFM-sponsored Entapipi School, bringing total enrollment to 114 students. In addition, enrollment at the JFM Luanda Church Preschool-Kindergarten has reached 25 students. Through our JFM faithful sponsors, 95 less fortunate students have received school fees, giving them hope and the opportunity to pursue education.

Every one of these accomplishments is a direct result of God's grace working through your generosity. Your partnership is bearing eternal fruit, and we are deeply grateful for your obedience to God's call to give, serve, and pray. Thank you for standing with Jesus Frees Ministries. May the Lord bless you abundantly!

With sincere gratitude and love in Christ,

Missionaries Mike and Cheryl Freese and the Jesus Frees Ministries Board of Directors
