Message from the MFCA Board

Greetings neighbors. We hope that you and your family are doing well during these changing times. Many of us have had to adjust to different working conditions, homeschooling, business closures, etc. Furthermore, we have had to cancel our Easter Egg Hunt and postpone our Spring community association meeting. However, we will get through this and brighter days are on the way. It is so nice to live in such a community in which we can go out for a walk, run, or bike ride and adhere to the social distancing guidelines as we enjoy the Spring weather.

As you are aware, our community is in need of a new president and a new secretary. Perhaps we can also have a few new faces interested in being “members at large”. We hope to get these positions filled whenever it is safe to have our next community meeting. If you are interested in any of those positions, please notify the board members. Any questions about the positions, just ask! Also, we need to make some changes to our by-laws due to ongoing maintenance issues and repairs that need to take place. When a date can be set for our community to meet, we will notify everyone of these changes beforehand. As always, we hope to see you all at the meeting so that your voices can be heard as we work together to improve our community.

Spring projects are underway at our community beaches. We want to thank all the people who volunteer their time and talents to repair and beautify our community and beaches. Please get out and enjoy our beautiful community and meet some of your neighbors.
