

Graham (Daddy)

We come together to celebrate your wonderful life today,
A life you lived to the fullest and you fought so hard to stay.
A warrior who took on anything that dared to come your way,
But it's time for you to rest now the pain has gone away.

You were called many different names by all the people you knew,
Graham, Badger, Daddy, Bill to name a few.
All those who knew you, would 100 percent agree,
You definitely made the world a better place to be.

You were always such a gentleman, kind and caring too,
You gave your all to everyone, warm-hearted through and through.
You had a wicked sense of humour and though you never really tried,
You made everybody giggle so much, they laughed until they cried.
