

Lauren and Lacey

We're all absolutely delighted to be here with you both today,
It's been a long time coming as lots of things have got in the way.
But despite all the hurdles, tantrums and stress,
You're finally married, and Lauren is in a dress!

We haven't known you that long, though we see you mostly every day,
But it isn't all about the length, well that's what most men say.
It's about meeting people you connect with and wondering how you've never met before,
And knowing life would be that much worse if you didn't see them anymore.

So, I did struggle to think of stories to tell about this pair,
Not because I had nothing to say, but they're all too rude to share.
Unfortunately I'll have to give those stories a miss,
So I'll just stick to the facts not to embarrass Chris.
