

Mrs Evans

When you first met me, I was misunderstood,
Everyone was telling me that I had to be good.
But it didn't take you long until you could see,
The potential I had – you could see ME.

Saying “Thank You” doesn’t cut it when you’ve done so much for me,
But we’re all so very grateful to you, we hope that you can see.
You’ve turned my life around and we’ll be forever in your debt,
You’ll certainly be a person that none of us will ever forget.
