

Sue

The time has come to say goodbye,
And I'll do so with a tear in my eye.
Our lovely Sue who we hold so dear,
Has come to the end of her successful career.

After many decades working for the NHS,
She's leaving us all a blubbering mess.
I hope you realise how much you are adored,
And I don't know what we'll do without our sounding board.

Although you'll always have memories to treasure,
You now can be a lady of leisure.
Whether it's meeting up with friends for a coffee and chat,
Visiting Tom or spoiling the cat.
