Thank you for your interest in Bottom Time Charters, LLC. and we look forward to a fun day of DIVING!

Lake Jocassee charters will be a two-tank charter and will be departing from Devil's Fork State Park.

Charters are scheduled to leave the dock promptly at 9:00-9:15 a.m. for the morning and 2:00-2:15 p.m. for the afternoon dives. These are subject to change with the seasons and dive locations. You will be briefed at the dock before we leave about the specific dive site and the times to return.

Lake Jocassee is known for great visibility but the water is a little cooler so be prepared. We recommend at least a full five mil wetsuit depending on the time of year. We will be diving the Old Japanese Fishing Junket Boat. Various lines have been added to multiple attractions that will keep your attention. Play checkers, visit the graveyard and a couple large swim through's as well.

The payment of \$75 will hold your seat five days before the charter. Should a charter be cancelled by Bottom Time Charter, you will receive a full refund or the option to reschedule at a later date.

Charters are limited to 6 passengers so, in the event of excess divers, we may run a second charter that same afternoon or Sunday Morning. Price will be the same as the morning dives.

Space is provided for your equipment and a small soft pack cooler. No hard coolers allowed.

Chilled water and light snacks will be available on board but please feel free to bring your snacks of choice.

It is highly suggested that you carry personal dive accident insurance for your own safety. Bottom Time Charters, LLC will not knowingly place you in a situation where there are dangerous conditions; however, we cannot know if a site has changed due to a storm or otherwise.

You will need to fill out the Annual Charter Waiver Form prior to boarding the boat.

Nitrox divers will also need to analyze your tank and sign the log sheet on the boat if provided by BTC, LLC

**\*\*\*PLEASE REMEMBER TO BE ON TIME AS NO SHOWS AND LATE PASSENGERS WILL BE LEFT AND WILL FORFEIT THE CHARTER FEES WITHOUT REFUND. NO EXCEPTIONS!**

Please remember to bring everything you need as the charter boat will not have extra equipment.

Tanks, if not rented from BTC.

Weights and Weight Belts, Lights, etc.

SMB (Surface Marker Buoy) is suggested
