ПРЕДИСЛОВИЕ

FOREWORD

Our partnership, which continues to increase its experience in the construction sector since year 1973 has reached a considerable volume of business in time.

Our company has adopted the principle of submitting the projects that it overtook to the institutions and persons that are the owners of the work in conformity with the developing technology in the sector and the world standards within the framework of limits of time, resource and budget, it has completed its commitments in due time despite all kinds of competition in the sector that occurred since its foundation and has proven its commitment to the rules that have become its principles as it can also be understood from its works in progress, it has acquired a successful and sound position in the sector.

The main goal of our company is to advance domestically and abroad this success that it achieved in the construction sector.

Товарищество, действующее под группой и имеющее опыт в строительном секторе, начиная с 1973 года, за этот промежуток времени имеет значительный рабочий объем.

Компания, принимающая на себя обязательства по исполнению проектов, поставила для себя принципом предоставлять проекты учреждениям и лицам-работодателям в рамках возможностей бюджета, времени и источников с развивающейся технологией в соответствии с мировыми стандартами и с даты учреждения по настоящий день, не смотря на всевозможное конкурентство в секторе, доказала свою привязанность правилам и принципам, завершёнными и продолжающимися работами и заняла надежное и успешное место в секторе.

Главной целью компании, является продвижение за границу данного успеха, полученного компанией в строительном секторе страны.

İnşaat sektöründeki deneyimlerini 1973 yılından itibaren grubumuz altında yürüten ortaklığımız geçen zaman içerisinde dikkate değer bir iş hacmine ulaşmıştır.

Şirketimiz üstlendiği projeleri zaman, kaynak ve bütçe imkânları çerçevesinde sektördeki gelişen teknolojiye ve dünya standartlarına uygun bir şekilde iş sahibi kurum ve kişilerin beğenisine sunmayı ilke edinmiş, kuruluşundan bu yana geçen sürede, sektördeki her türlü rekabete rağmen taahhüdü altında bitmiş ve devam eden işlerden de anlaşılacağı üzere ilke edindiği kurallara bağlılığını kanıtlamış, sektörde başarılı ve sağlam bir yer edinmiştir.

Şirketimizin ana hedefi inşaat sektöründe elde ettiği bu başarıyı yurt içinde ve yurt dışında daha ileriye götürmektir.
