

Sponsorship Opportunities

Who We Are

The Celebrating Kansas Horse Show is scheduled for May 3-5, 2024, in Hutchinson, Kansas.

To make this event a resounding success, we are actively seeking sponsors who want to reach their customers and support the horse industry in Kansas.

This event is designed to allow Kansas Amateurs to raise funds and support the association. It is also one of the most effective ways for American Quarter Horse Association members to qualify for the Versatility Ranch Horse (VRH) World Show.

In years past, we have hosted over 130 horses to the Celebrating Kansas Horse Show, which features a full lineup of AQHA All Around classes plus VRH classes, including cutting and ranch cow work, and the Rookie division.

Your support will contribute to the horse show's success and build brand awareness among your potential and loyal customer base.

Don't see the right fit for you or your business? We offer a range of sponsorship opportunities tailored to meet our sponsors' needs and goals. Just let us know, and we will follow up with more information!
