These results are not the official AQHA results. The results must then be transferred to the points secretary by the show secretary. AQHA reserves the right to make corrections to official results at any time and notify show management of those corrections. This may change the standings and the official records of AQHA will be used to mediate any disputes which may arise during the show season.
9. The KQHA year-end awards shall be determined by the total amount of (\$1.00) fees received plus any additional funds designed by the Board of Directors. Awards will be issued for 1st through 6th place in the open, youth, and amateur divisions. In case of a tie, duplicate awards will be issued.
