

The Kansas Quarter Horse Association is the official state affiliate of the American Quarter Horse Association. There are many benefits associated with a KQHA membership including year-end awards in the Open, Amateur and Youth divisions. KQHA hosts several multi-day Quarter Horse shows and approves other AQHA

shows to count towards year-end awards. Members may be honored with the Volunteer of the Year award. The KQHA Hall of Fame recognizes outstanding members and American Quarter Horses. Our youth program offers leadership roles in the state affiliate, scholarship opportunities, and the opportunity to represent Kansas at the Youth Excellence Seminar, AQHYA World Championship Show and the All American Quarter Horse Congress National Youth Association Team Tournament.

BOTH the registered horse owner (individual/couple/ranch, etc.) AND the exhibitor must be members of KQHA in order for year-end points to be accumulated. Only points accumulated after membership has been received will count. This includes horses leased by an exhibitor with a current show lease on file with AQHA.
