President's Message

Update: July General Membership Meeting changed to July 29th.

It is HOT, HOT, HOT! Normal for July, but I'm so thankful for air conditioning!

A BIG thank you to Mary Alice Estes, Programs Chair, for working with two other Arkansas guilds to help defray costs and bring Timna Tarr to our guild!! Her trunk show and presentation were fabulous!!

I am finishing up one of my Quilt Auction donations. It is a wall hanging of The Guardian Angel by Laura Heine, approximately 19 inches wide by 42 inches tall. In addition, the Annual Alzheimer's "Longest Day Golf Tournament" quilt was won by an anonymous donor from Calico Cut-Ups Quilt Guild and now will also be in the Quilt Auction in October! We will begin taking pictures and entering information about quilted items received after our July meeting. If you have your Quilt Auction items ready by our July meeting, please bring them! We will still be accepting items until the end of August! Looking forward to seeing your donation items!! We have auction postcards available to share with all your friends and family!!

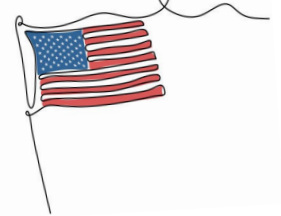

In July, we applied to the POA Charitable Giving Committee. In the past few years, we have received funds from this source, and we are increasing our request this year to include funds to pay for costs associated with our Luke Haynes events in October! Luke and his wife Nicole Leth, have graciously offered to provide several small Affirmation Quilts to be placed in various locations throughout Bella Vista! They were on the LA Times and NY Times as a featured artists on July 11. Check out the video: <https://www.latimes.com/entertainment-arts/00000190-a304-df50-a7d8-f74c54af0000-123>. More information to come on this! In addition, Luke Haynes will be sending quilts to be on display at our October meeting!
