President's Message

In July just give me a cool drink and a warm sewing machine and let me SEW! Let's all take this opportunity to stay in our cool sewing areas and work on our Quilt Auction projects. We have nineteen projects turned in, photographed, and packaged for shipment to the winning bidders. Let's help make the committees job go smoothly by turning our auction items in early to avoid the rush. The deadline is the August guild meeting (Monday, August 28th). Contact Linda Pumphrey at 479-367-9354 if you have questions or need help.

Our Kids Kamp was again a Great Success with 7 participants, some returning for the second year. Gail Storm and her committee are doing yeoman's work in developing the sewers who will follow in our footsteps. Remember, there are no home economics classes in our schools anymore. Students finish high school not knowing how to sew but also not knowing how to fix a meal. OH MY, I'm on my "Band Box"!

Thanks to all of you for taking part in one of our small groups and creating items for all of the non-profit organizations we support. I continue to be amazed at your willingness to sew and help in so many ways.

Be well and join us to Sew and Learn,

Mary Lange Kalin, President

The July program will be presented by Courtenay Hughes, Sewing Team Manager from Missouri Star Quilts. She will have a trunk show of MSQ quilts as well as her own. Courtenay has been quilting for over 25 years and working and teaching in the industry for more than 20 years.

On Tuesday, July 25 she will teach a raw edge machine applique workshop. She will go over fabrics, threads, different stitches, fusible web choices, stabilizers, and more. Students will leave class confident and ready to tackle any machine applique project.

July Workshop Program

In August Linda Pumphrey will present a program about the International Quilt Museum in Lincoln, Nebraska. She will have a trunk show of her antique quilts that will be part of the collection at the museum.

In September Linda Crandell will teach an ice dyeing workshop. Sign-up will begin at the July meeting.

ATTENTION WORKSHOP PARTICIPANTS: Payment for any workshop is required at the time you sign up. Bring cash, check or credit card to pay for class. A \$3.00 additional fee will be charged for the use of a credit card. To assure a spot in the workshops you want to take, please be sure to bring payment with you to the guild meetings

We don't have a vendor for July. If you have items that didn't sell earlier this year and would like to bring them for sale, please give me a call (214-930-6119) and I will put you on for our July meeting. Cheri Lindner

In August our vendor is Laura from Quilter's Heaven in Granby..

WE WANT YOU OR IN THIS CASE YOUR QUILT!

We were amazed by our fellow Calico Cut-Ups Guild Member, when asked at the last meeting how many are making a quilt for the auction, many hands were raised. That said many hands were not raised. If you have not started one there is still time. The guild needs everyone to participate as this is our major fund-raising event this year. The funds go to support the fabulous programs we see each month and to support the many outreach programs our guild supports each year.

If you have your quilt completed, you may start turning them in the upcoming May meeting. Please complete the form found in the issue or grab one at the meeting. Ideally, we would want most of the quilts in by the end of July, but you do have till the end of August.

We accept quilt projects of all sizes, from table runners to bed quilts. Although the larger the item the more dollars we will make.

Thank you to everyone for working or in this case quilting on behalf of the guild. Please fill out the form on the following page for your quilts.

If you have any questions please reach out to Linda Pumphrey at 479-367-9354.
