We love seeing you at our Friday parking lot get-togethers, and yet know that it's not possible for some of you, too. The board has hopefully reached you in the past couple weeks to see how you're doing, what you're doing, etc. We appreciate your feedback on what we may be able to do better during the pandemic, and when you will feel comfortable getting together for regular meetings again. If you haven't spoken to one of our board members recently, please feel free to give me a call with your thoughts – 479-855-4055 – as we'd love to hear from you.

We hope you will join us on **MONDAY, OCTOBER 26, for SHOW & TELL!** Park where we normally do for guild meetings IF you have projects to Show & Tell, with one open parking space between each vehicle with overflow on the upper lot. If you are just coming to view projects and socialize (at a safe distance, wearing a mask), please park in the upper lot. And this Show & Tell doesn't have to just be quilts! We know so many of you are so talented in so many mediums! **Please Note:** The Church asks that we do NOT arrive to the parking lot before 1:00pm.

KITS AVAILABLE AT SHOW & TELL! Cathy Beaver will bring donation fabric for you to take. The NWA Children's Shelter is now in need of larger quilts for teens. Kim Ellis donated a box of flannel that will make great teen quilts. We will have these precut kits available – three layers of flannel can be quilted or tied, your option. And Mary Kalin and Joyce Reid will be displaying the various projects we are making for Mercy Hospital's NICU with kits available, too.

Although we're not actively sewing face masks for our bi-weekly Friday get-togethers at this time (although Ava Harrold, Gail Storm, and others are ready to sew more upon request), we continue to collect donation quilts, Quilts of Valor, pillowcases, tote bags, NICU items, dog bed scraps, etc. If you aren't able to make it at our next get-together on Friday, October 16, and have items to donate or want projects to work on, let me know and I will pick up and/or deliver to your doorstep. Otherwise we can pick these up at our Show & Tell if you are able to attend. We hope to see you at one or both events!

Thank you for continuing generosity,

Sue Wagner

Susan Richmond has been busy!

This bag is amazing - she took a class in Little Rock and it has a coordinating insert - all quilting related to add all the tools of the trade. Lots of zippers, pouches, etc. Never saw anything this detailed.

Deb

Quilts by Jan Williams

She has finished up 3 English Paper -pieced quilts during the pandemic. Some of you will remember her demos at our guild meeting.

This one is a 3/4inch hexagon queen size top that she will be hand quilting. This quilt is 112"x 94". It has 9,000 hexies in it.

This quilt is from the book "The New Hexagon" by Katja Marek. The hexagons are 6" on each side. Jan used mostly Kaffe Fassett fabric for some of the hexagons and fussy cut large flowers from some of the fabric instead of paper -piecing them.

This quilt by Jan came from a pattern by Lucy Carson Kingwell called Smitten. It is made of 9" English paper-pieced hexagons. Some of the large hexagons are made of smaller paper-pieced hexagons.

This Quilt is a wedding gift that is going in the mail soon.

Below Traveling Quilts

These two quilts hang outside when John and Jean Justice are camped In their RV.

Quilt by Marilyn Lee

“Spring Sprouts” purchased in Paducah in 2015.

Learned how to machine applique from Kay Gaudian in Silver Needles. Completed 9/27/2020 proving that there is hope for all those UFO's.
