In this hands-on class you will make a small, quilted object (such as a mug rug or small wall hanging) using techniques you may not have tried before. Come with an open mind, ready to experiment! I will have a basket of supplies and materials to choose from, but if you want to bring some from home, here are a few suggestions:

scissors
a glue stick (any kind is okay)
small fabric, leather, or paper scraps
embroidery thread or ribbon
unique buttons
old jewelry
small metal or plastic decorative items
old keys
labels from clothing or other items
anything else small and meaningful to you that you might like to work into a quilt display

Session 7: Using Hand Embroidery to Add Interest to Your Quilt
Class instructor Barbara Ostermeier
If you have questions contact her at beostermeier@yahoo.com

We will be looking at different ways to use embroidery in quilting. I'll have a number of projects to look at and examples to look at.

I will have a small coaster or mug rug sized project for each participant to begin in class and take home to finish.
I have many hoops and plenty of floss for people to select from.
I will supply fabric for the small project. I will also supply a small print out of embroidery stitches.
I will also have a list of a number of sites that provides patterns and inspiration as well as you tube instructional videos.
Each person needs to bring needles (embroidery sharps), a small scissors, and a small hoop if they have one.
