Participating in the HEAL™ Program

- The program's goal is to assist GPs to improve the health of their patients
- Participation in the program is voluntary.
- Your personal information remains confidential. All data is stored in a secure location. Staff who have access to the data have all signed confidentiality agreements. Collated & de-identified data (i.e. personal details are removed) may also be provided to National Division Program, AGPN, RACGP & the Commonwealth Department of Health & Ageing for auditing, research, evaluation & quality assurance purposes. I hereby agree to my record being provided to the HEAL™ facilitator to assist in my health management.
- I understand that I have the right to withdraw consent at any time, without penalty, by requesting that my personal information be deleted.
- This consent is subject to: 1) the information stored being kept secure & confidential; 2) any information required for an audit, research &/or planning being used on an anonymous basis.
- I also understand that if I have any question relating to the security of my personal information I can ask my doctor, my HEAL™ facilitator or the HEAL™ National coordinator on 1300 933 397.
