

Founder and President

Aletha Champagne

Aletha Champagne, the visionary founder of Champagne Realty Group, has carved out a distinguished position as a top-producing real estate agent in the Greater Milwaukee area. With a unique philosophy that prioritizes a client-focused approach over any specific property type, Aletha has revolutionized the way real estate services are delivered. Her ability to tailor each transaction to align perfectly with her clients' goals and motivations sets her apart in a competitive industry.

Education

- MBA, UW Consortium
- Post-Bacc, Mt Mary University
- BA, University of WI - Oshkosh
- Continuing Education Classes via Harvard University
- Certified Interior Designer

Leading a team of highly motivated agents, Aletha ensures that every client receives unparalleled service and expertise. Her passion for interior design not only enhances her ability to present properties in their best light but also allows her to offer invaluable advice to clients looking to create their dream homes.

Professional Affiliations

- National Association of REALTORS
- Great Milwaukee Associations of Realtors
- Medical College of Wisconsin, Department of Surgery Fundraising Board
- Vice Chair of Versiti Junior Board
- Versiti Blood Research Institute Foundation
- Common Council, City of Wauwatosa District 6

Her background in biomedical research at the Medical College of Wisconsin has instilled a data-driven mindset in her real estate practice, enabling her to make informed decisions and provide strategic insights to her clients.

Personal Interests

- Interior Design
- Brazilian JiuJitsu
- Gardening
- Traveling
- Dog Lover

Aletha Champagne and her team at Champagne Realty Group continue to redefine excellence in real estate, offering a bespoke service that is as much about building relationships as it is about closing deals. Her blend of analytical acumen, dedication to her clients, and love for interior design makes her not just a realtor but a trusted advisor to those looking to navigate the complexities of the real estate market.
