

A request for donations to a GoFundMe site for the
Marine Veteran listed below.

Kristen Parker.

Marine Cpl., Afghanistan Vet. Mother of three. Was in a head on collision, other vehicle hit black ice. She had borrowed neighbor's vehicle to get to roller derby practice. Air bags did not deploy. She has two broken legs, two broken arms, broken hip, they took 1/4 of her intestines, broken collar bone, they had to drain her brain. Out of the first ten days in the hospital, she had eight surgeries. There's a go fund me for her at the moment. Problem right now is Medicaid does not talk to VA. They finally got some help from VA. Maria Vasquez is her mom (member of our Auxiliary).
