MARINE CORPS LEAGUE

Illinois Marine Website
PDC Don Haines – Webmaster

Convention report

June 2, 2022

The Illinois Marine Web site:

- Illinois Marine website is up and running.
- Please remember to have the Department, Detachment and Units notify the webmaster of events so they can be posted on the “Event” page.
- A very important item is that anytime there is a change in Detachment officers or contact information, **PLEASE LET THE WEBMASTER KNOW SO THE SITE CAN KEEP AS CURRENT AS POSSIBLE.**

******Important Note:******

Since 3rd Staff, I have reconsidered the idea of leaving as Webmaster for various reasons. After 15 years as editor, I have invested much time and money in paying for and developing the site. Because of having my contact information as well as billing, ICAA registration, Web Domain and 2 step authorization information with web company, I have made the decision to remain as the Webmaster (At least for a while.)

My heartfelt thanks to everyone that has either assisted or put up with me over the years.

Respectfully Submitted
