

# ***Volunteers Needed!!!***

**As we move forward and prepare to host the 98<sup>th</sup> National Convention in Springfield, August 8-13, 2021, we need all hands on deck.**

**Whether it is volunteer hours to help with the many positions we need to fill during the week, or a monetary donation to help defray costs, every generous gesture will be much appreciated. We all need to pitch in and make this an event that will be remembered.**

**Please contact PDC Greg Baker, PDC Mike Malmstrom, NCDVP PDP Renee McGuan, or any Department officer. Contact information may be found on the IL Marine website.**
