Harris County records indicate that you have a criminal case that has been dismissed. There are no convictions as a result of your arrest. You are now eligible to file for an **EXPUNCTION** with the Court to destroy all files and records concerning your case.

At **SEALMYARREST.COM**, we will draft your Petition, file the Petition with the court, and appear in court on your behalf. No court appearance is required on your part. With an **ORDER GRANTING EXPUNCTION** of your Arrest Record, you can truthfully deny the arrest ever happened.

Feel free to click on the banner above and get to know the benefits of clearing your Arrest Record. Thank you for your time.
