CITY OF BROKEN ARROW
REQUEST FOR QUALIFICATIONS
BROKEN ARROW AIRPORT FEASIBILITY STUDY

The City of Broken Arrow, Oklahoma is hereby soliciting a Request for Qualifications (RFQ) from qualified Architect/Engineering (A/E) design firms for a Broken Arrow Airport Feasibility Study.

The professional services contract is for a Feasibility Study for an airport within the vicinity of Broken Arrow. This would include a Forecast of Aviation Activity, Recommended Development Plan, Review General Site Areas, Grant Evaluation, and a Final Report and Recommendation.

If your firm has the proper capabilities and experience, please go the City's website <https://www.brokenarrowok.gov/business/bids-contracts> for a copy of the Request for Qualifications or the document can be viewed/downloaded at www.questcdn.com. Input the QuestCDN project number 10283266 on the website's projects search page.

All Statements of Qualifications (SOQ) must be received by August 27, 2026 at 4:00 P.M. C.D.T. No SOQ will be accepted for consideration after the deadline specified above. All SOQ's will be evaluated in accordance with City of Broken Arrow standardized scoring method. Any SOQ not fully addressing the requirements identified with the Statement of Qualifications Requirements may be considered a non-responsive offer and may be eliminated from further consideration.

The City of Broken Arrow will notify all unsuccessful applicants of the contract award after a firm has been selected, the fee negotiated, and the contract executed.

Respectfully,

Charlie Bright

Charlie Bright, P.E.

Director of Engineering & Construction
