¹ The parties are advised that this trial is set on a trailing criminal docket. Criminal cases must be tried before civil cases. The Court will apprise counsel of the status of the criminal trial docket at the pretrial conference on October 15.

² The Court expects trial to be completed within five days. The Court cannot guarantee more than five days due to its extensive criminal dockets in the United States District Court for the Eastern District of Oklahoma and in the United States District Court for the Northern District of Oklahoma.
