Club Fitting & Re-shafting Services

Tru-Fit Golf will expertly remove your old shaft and replace it with one you provide or with a new shaft in a grade and type specified by the customer. We offer two (2) grades of metal and three (3) grades of graphite shafts in **Value, Premium or Pro-line**.

RS1	Re-shaft service any club (metal/graphite) – cust. provided	\$ 20.00/25.00*
RS2	Re-shaft any club with new metal shaft (Value/Premium)	\$ 35.00/45.00**
RS-VP1	Value Pack – with new graphite for Irons/Woods/Hybrids	\$ 45.00**
RS-PP1	Premium Pack – with mid-line graphite shaft for Irons/Woods/Hybrids	\$ 75.00**
RS-PL1	Pro-line Pack – Tour quality graphite shaft for Irons/Woods/Hybrids & custom fitting consultation	\$150.00 and up***
CF-DWH	Shaft Fitting Consultation Driver, Woods & Hybrids	\$50/hr
CF-IWP	Shaft Fitting Consultation Irons, Wedges & Putter	\$55/hr
PT-CW	Putter Counter Balance/Swing Weight Service	\$25.00

** Price is for service only customer provided shaft and basic fitting. **Price includes re-shafting to new shaft as specified by customer and limited fitting service. If a shaft type is not specified, we will replace it with the same or OEM equivalent currently on your club.*

Value line of shafts are typically Golfsmith Carbon Stick, Aldila Value Series or Graphite Designs G-Tech or equivalent.
