

NOTE: Manually WRITE down your new Customer's information before entering it into the system.  
Follow the questions in order on this page and use the form at the bottom of the page.

Please shred all personal information once the order is in!

Ask these questions to gather your customer's enrollment:

What is your Full Name?

Where Would You Like Your Box Shipped?

What shake flavors would you like? Canisters OR Packets? You can choose between:

IsaLean Shakes : Strawberry, Vanilla, Chocolate, Chocolate Mint, Peach Mango

Vegan IsaLean Shakes (\$4 more per box): Vanilla Chai, Chocolate

IsaLean Pro (higher protein content and \$9 more per box): Chocolate, Vanilla, French Vanilla

Next are IsaSnacks which are yummy little wafers. Do you want Chocolate, Vanilla or Wild Berry? My favorite is \_\_\_\_\_.

If they have a Value Pak: You have a choice of bars:

Lemon Passion ,Oatmeal Raisin, Salted Caramel Cashew, Chocolate Decadence, Chocolate Cream Crisp, Smores or Chocolate Peanut Butter

Vegan Bar Options(\$4 more per box): Chocolate Peanut Butter and Chocolate Berry Bliss.

(Get their preference, then ask) For your IsaDelights, do you prefer plain Dark Chocolate, Dark Chocolate Mint, plain Milk Chocolate or Milk Chocolate with Salted Caramel?

If they have a 30 Day System: I highly recommend adding a box of IsaDelight Chocolates. They're amazing on cleanse days and only \$36.00 more. Seriously, I couldn't live without them! Would you like to add those? (Retention is 50% higher when IsaDelights are ordered with their first system.) Flavor Options:

Dark Chocolate

Dark Chocolate Mint

Milk Chocolate

Milk Chocolate Sea Salt Caramel

Is your billing address the same as your shipping address?

What's your email?

Is this the best number to reach you at?

Which credit card would you like to use? Exp date & CVV? (Repeat the #'s back)

Okay, so here's what going to happen next, you're going to receive an email confirmation from the company that's going to have your receipt and tracking info. You're also going to get a second email with notification about autoship. Make sure to write down the date that's in the email so no orders ever get sent without you wanting them.

Once your box arrives you're going to text me so we can go through it, we'll hop back on a call so I can answer any questions you have, it's important that you don't start beforehand just so I know you're all set. At that time I'll also show you how to manage your Lifestyle Rewards.

I'm also going to add you to a private group on Facebook so you can experience the support of our amazing community. How does that sound?

(Book your next appointment to walk them through their back office)
