About Us

- [Envirocare Labs PT Cell](#), a division of Envirocare Labs is an **ISO/IEC 17043:2010 accredited Proficiency Testing Provider (PC-1041)**.
- We are one of India's 1st Proficiency Testing Providers for the Biological discipline.
- We offer a comprehensive range of PT programs in **microbiological parameters** addressing multiple matrices in alignment with NABL-120.
- We provide an array of Proficiency testing programs at **affordable rates** to help evaluate the competency & proficiency of testing laboratories and ensure the effectiveness of laboratories' quality management system to achieve total & absolute quality as per international standard ISO/IEC 17025:2017.

Why Proficiency Testing

Proficiency Testing acts as a critical tool for ensuring the quality of analytical testing services. Participation in PT programs is mandatory as per ISO 17025:2017 Clause no.7.7.2. It is the ideal tool for evaluating and establishing the competence of labs. Envirocare Labs Pvt. Ltd. PT Cell offers PT programs in diverse Product Groups as per NABL Document No.120 like Food & Agricultural Products, Environment & Pollution, Drugs & Pharmaceuticals, Animal Feed & Biocides. Testing labs from across the globe especially from developing nations can participate in our extensive, cost-effective, Accreditation Body/NABL accredited PT programs.

Benefits of PT participation

- Meeting Regulatory Requirements as per ISO/IEC 17025:2017
- To establish competence
- Helps to benchmark with National & International Labs
- Helps evaluate analysts and methods
- To gain customer confidence & trust
- Continual improvement

PLEASE NOTE

- Check **terms & conditions, PT Protocol, FAQs & scope of accreditation** from our website. Clarify any doubts prior to registration.
- **PT scheme can be run earlier/postponed or two schemes may be merged**
- A parameter can be removed/added in a scheme or range of testing may be varied at the time of running this may be due to operational reasons; new developments; due to nature of product or matrix; homogeneity or stability issues and or reasons beyond control. **Decision of PT provider in this regard is final.** Participants are informed as applicable.
- As per **NABL Document No. 163**, frequency of PT Participation shall be sufficient to ensure that major sub-groups, analyte and materials/matrices in the scope of accreditation are covered over a two-year period (irrespective of the size of the scope of accreditation).
- For our scope visit our website: <https://proficiencytesting.in>

Animal Food & Feed

Terms & Conditions

- GST of 18% will be applicable on the above-mentioned charges.
- Discounts are applicable on bulk participation and 100% advance payment only.
- Quantitative may cover LOW/ HIGH levels in turn to help labs demonstrate competence over whole range in their scope. Accordingly, selection of method can vary.
- Any other National/ Regional / International Methods based on same principle and methodology e.g., IS, ISO, US FDA BAM, IP; USP
- Where parameters are separated by “/”. Any one out of the these will be covered during the program turn wise. However, depending upon nature of PT Item sometimes both parameters may also be covered.
- Dates given for PT initiation & report release are tentative and may change. Participants will be informed about the changes if any.
- In addition, PTP may include non-accredited parameters in a scheme. These are clearly marked with a "*". According to NABL-133, a separate report is produced for such parameters. (Discounts will not be applicable on these schemes)
- For International participants additional freight and documentation charges may vary based on the location.
- Please also refer to terms & conditions. For any other clarification contact/email: +91-9167702413| pt@envirocare.co.in
- Scan the QR code for verifying our scope of accreditation:

Note:

Our team has worked out a comprehensive PT Calendar to help you gain maximum coverage, to comply with your PT Plan. For details on PT Calendar, Special Program Schemes, Registration Form, Terms & Conditions of participation, we encourage you to visit www.proficiencytesting.in or reach us at Mobile No : 9167702413 for any assistance.

In alignment to NABL-163, we have started sending PT Program results directly to NABL, so that NABL can pass on the associated benefits as per the associated policy.
