

GIGI'S LEGACY GIFT FORM

Bequests, or gifts by will or trust, are one of Gigi's most important sources of individual support. These types of gifts can support a wide range of efforts at Gigi's, including providing:

- free vaccines and basic wellness for homeless dogs
- free or low-cost surgeries for shelter dogs
- life-saving treatment to shelter and rescue dogs diagnosed with parvovirus
- critical veterinary behavior or behavior training intervention
- rebuilding and renovation of rural shelters

Gifts via will or trust can be made in the form of a specific cash or property gift, specific asset, or a percentage or remainder of your estate. You can use the following sample bequest language in your will or trust:

"I give [insert specific amount, specific asset, percentage, or remainder of estate] to Gigi's, or its successor, to benefit [Gigi's Operations, Veterinary Care, Behavior Care Initiatives or a combination of the three] or as further designated by me in writing to Gigi's."

If you are considering a gift through a will or a trust to Gigi's and would like to receive more specific language to ensure that your exact intentions are carried out, a member of the Gigi's team would be happy to work with you and your advisor. Please contact Jane Nolan at jnolan@gigis.org with any questions.

Alternatively, the following form can be completed and remitted to the following email address: jnolan@gigis.org. **Thank you for your support of Gig's!**
