

Gigi's Legacy Gift Form

Letter of Intent for a Future Gift

Thank you for considering a legacy gift to Gigi's. By including Gigi's in your estate plans, you are helping ensure that future generations of dogs receive the care, compassion, and second chances they deserve. A legacy gift through your will, trust, retirement account, life insurance policy, or other estate planning vehicle is one of the most meaningful ways to create a lasting impact. While your gift costs nothing today, it can save countless dogs for years to come.
