**Merry Christmas and Happy New Year!**

We hope you and your child(ren) have a wonderful Christmas break this year. **Friday the 19<sup>th</sup> of December** will be our last day of term. We have some celebrations that we would like to share with you, so please look for the class specific plans below. It has been an exciting term for children, filled with lots of learning. We look forward to seeing children back at Nursery on **Wednesday the 7<sup>th</sup> of January**.

## Ladybird's Christmas Plans

Please come and join our Christmas Party on **Friday the 19<sup>th</sup> December** at **10:30am** or **13:00pm**.

Please bring a small plate of food to share.

Father Christmas might be visiting the Ladybirds during the party time.

## Dragonflies' Christmas Plans

The children in Dragonflies will be having a Christmas party on **Friday the 19<sup>th</sup> of December**.

Please bring a small amount of your child's favourite food to share.

Father Christmas might be visiting the Dragonflies during the party time.

Because many of the children in Dragonflies get stressed and want to go home when their parents arrive, we will not be inviting parents to join this party, but we will take plenty of photographs.

If you would like to join a party, you are welcome to attend the 3-4s' party with your child.

## 3-4s' Christmas Plans

On **Thursday the 18<sup>th</sup> of December** the children in the 3-4 class will be enjoying their Christmas parties. Children are welcome to wear party clothing, **however these parties are for children only**. We will provide food for these parties. These parties will include a visit to see Father Christmas in his grotto.

On **Friday the 19<sup>th</sup> of December** at **10:30am** or **13:00pm** please join the 3-4s in singing Christmas carols and enjoying a mince pie together.

## Parent Meetings

Staff have been meeting with parents this week. If you have not yet met with your child's keyworker to talk about your child's progress, then please talk to your child's keyworker about arranging a time.

## Workshop by Harry from Creative Therapies

Thank you to those parents who attended Harry, the Occupational Therapist's last workshop on Motor Skills. Harry is coming back on **Thursday 18<sup>th</sup> December** at 10:30am with another workshop for parents. This workshop will be about food, eating and encouraging fussy children to eat.

## Winter Flu

There are lots of children currently suffering with coughs and colds. There are flu vaccination clinics available across Luton with many walk in appointments. Parents/carers can call 0300 555 5055 (option 5) to book an appointment in advance.

Here are the details of some local clinics offering drop-in appointments.

## Evidence Me

Thank you to those parents who are already using Evidence Me and contributing pictures and videos from home. If you haven't yet signed up to Evidence Me to see what your child is doing at Nursery, please look in your e-mails for the invitation or ask office staff to send you a new link.

## Bottles Please

We are constantly looking for empty washing up liquid bottles, spray bottles and soap dispensing bottles.

If you have any of these at home and you no longer need them, please consider donating them to Nursery. Thank you very much!

## Collection Times

**Please try as far as possible to collect your child at collection time, not before.**

You are welcome to wait in Reception if you arrive early, however admin staff will no longer be letting parents into Nursery early to collect unless there is a valid reason for the early collection. This is necessary to ensure the safety of all children.
