We're Going on a Bear Hunt
Michael Rosen Helen Oxenbury

The story for this week is *We're Going on a Bear Hunt*. You can find this by clicking on the following link

<https://www.youtube.com/watch?v=0gy16ykDwds>

When you have listened to the story discuss the following with your child:

- What happened in the story?
- What noises did they hear in the story?
- How did the family feel at the end of the story?
- How did the bear feel? Why did he feel like that?

Can your child draw a picture to cheer the bear up? Once they have drawn it can you please take a photo and email it to us at the address below.

How many bears can your child count?

Once they have counted the bears can they point to the correct number?

Are they able to say how many there would be if one more bear came to join them?

1 4 8 7 3 5 2 9

This week we would like your child to learn the sound 'a'. Click on the link to hear how we say this sound: https://www.youtube.com/watch?v=4t9OJI6eX_w

Which of these pictures begins with 'a'?

Have a look at the letter formation sheet on our website to see how we form this letter correctly. Encourage your child to have a go at writing this. It doesn't have to be with a pencil and paper, instead why not put some flour or rice into a tray and see if they can use their fingers to form the letter?

Look at the pictures again and see if your child can remember the sound that snake begins with from last week?

Don't forget, here are the email addresses to send us any photo's of your child's achievements.
