

LITTLE BLUE TOTS DAYCARE: DAYCARE CLOSURE POLICY

Little Blue Tots Daycare schedules program closures throughout the year. Families are responsible for reviewing the attached calendar and planning accordingly when care is unavailable.

Scheduled Closures

The program may close for holidays, staff training, licensing requirements, and other program needs. Scheduled holidays and program closures are paid closures unless designated as a ***Tuition Pass***.

Tuition Pass

Parents will receive a ***Tuition Pass*** for the following each year: **Spring Break, Summer Break, and Winter Break**. Tuition is not charged during these designated weeks.

Unplanned Closures

If the program closes unexpectedly due to provider illness or another provider-initiated emergency, tuition will be prorated based on full closure days.

Closures resulting from circumstances beyond the program's control, including weather, utility outages, natural disasters, or government actions, are not eligible for tuition credits or refunds.
