# **Ski and Snowboard Swap 2018**

Winter is just around the corner, so come to the Ski Swap before you hit the slopes for the best deals around on skis, boards, boots, outerwear, goggles and much more for the entire family. The money we raise will go back to the school to help our students get the best education possible. So you not only get great discounts on new and gently used gear, but you will be supporting San Ramon Valley High students and teachers.
