Dear Yan Choy Chiang,

**APPEAL TO BCA TO CONTINUE WORKS - YPIWater Pte Ltd
(201627463D)**

We refer to your application to BCA to continue works at Hospitals, Universities, Private Offices & Government buildings, Hotels, Condominium, Industries, Chemical & Pharmaceutical Plant; Electronic industries. (Project Site) received on Sun, 19 Apr 2020 11:57:21 AM.

Your application to continue works for Essential facility management and maintenance at the Project Site from 20 Apr 2020 to 31 May 2020 is **APPROVED**.

To facilitate these permitted essential activities, the following Foreign Employees will be exempted from the requirements of the Stay-Home-Notice (SHN) for the period stated above for the sole purpose of performing Essential facility management and maintenance at the Project Site.

Name	NRIC/FIN
Islam MD Aminul	*****095N

For the avoidance of doubt:

- (a) During the performance of the Essential facility management and maintenance at the Project Site and where the SHN remains in effect, the movement of the Foreign Employees shall be minimised and the Foreign Employees may only be transported to and from their place of accommodation and the Project Site; and
- (b) Upon the completion of the Essential facility management and maintenance at the Project Site and where the SHN remains in effect, the Foreign Employees shall comply with the SHN at their places of residence after completion of the Essential facility management and maintenance at the Project Site.

You must ensure the following throughout the period of the performance of

Essential facility management and maintenance at the Project Site:

1. The Foreign Employees submitted in your application continue to stay at their place of residence declared in the application.
2. Close monitoring of the Foreign Employees permitted to work so that the Foreign Employees only travel to and from their place of residence to the Project Site.
3. Safe distancing measures are in place at the accommodation and the Project Site in accordance with the latest government directives.
4. Monitor the health of the Foreign Employees closely (including recording body temperature twice a day) to ensure those who are ill are immediately isolated and provided medical attention.
5. Comply with the directive issued by the Ministry of Manpower dated 18 April 2020 in respect of the Foreign Employees.
