Choose from seven different layouts and color schemes, each customizable to suit your preferences.

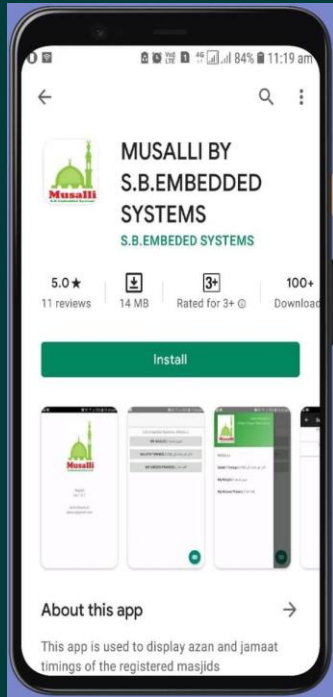

Administering the Musalli Wall Clock is simple and user-friendly, with control options via a mobile admin app, remote, or mouse. The intuitive menu is easy to operate, even for the Masjid's Muazin.

MASJID LIVE

The Musalli Masjid admin has the option to stream live audio of speeches from the Masjid, including the Friday Bayan and other programs. This feature is especially beneficial for sisters, as they can listen to the Bayan remotely through the Musalli Android app, from the comfort of their homes.

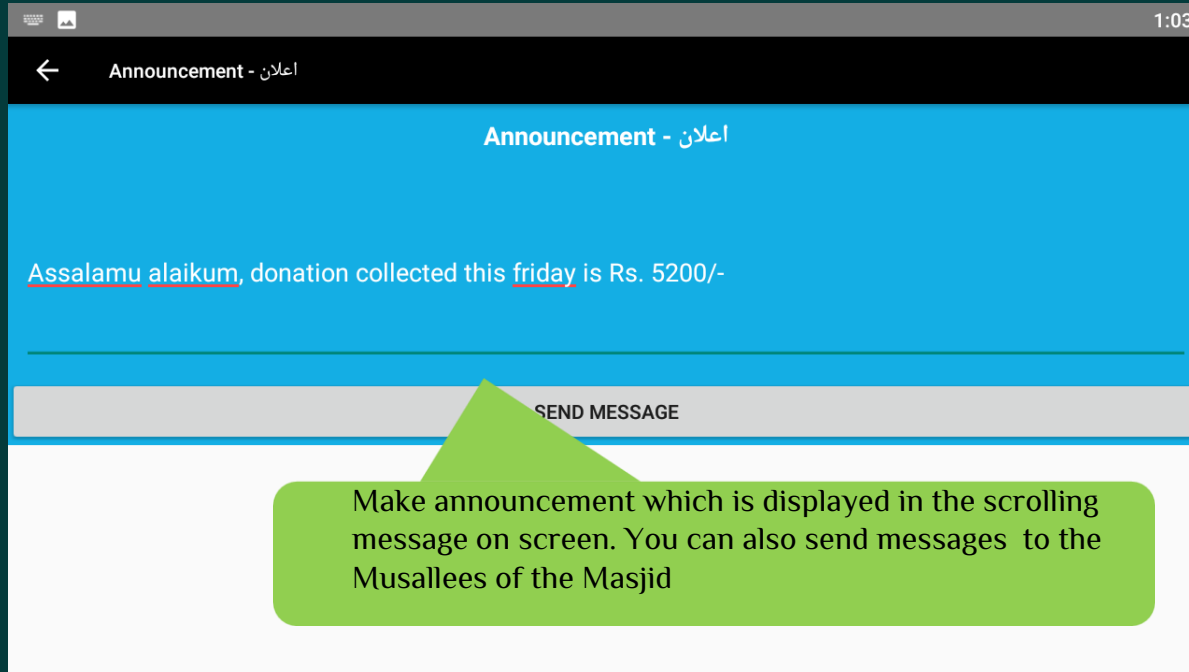

The Musalli app is available for free on the Play Store, while the Musalli for Masjid management app is offered on a subscription-based model.

Record and publish Audio of Masjid Live

Apart from live audio streaming of the Bayans, the Musalli app also allows recordings to be made and published for the public. Notifications about the uploaded audio will be sent to all Musallees using the Musalli app.
