The Washington Shakespearean Festival
The Official Shakespearean Festival
of The Idaho Renaissance Faire, presents:

Renaissance Faire Trade Tokens: “Elizabethan Angels”

Making Faire Funds FUN!

What are
“Trade
Tokens”?

Faire Trade Tokens are a substitute form of money (like Chips at a Casino) good for a set amount in trade, and can be cashed in later. For our Tokens, WSF commissions brass, hand-minted replicas of “Angels”, the most popular gold coin in the Reign of Queen Elizabeth I. A fun way to “catch Faire spirit.”

How do
“Trade
Tokens”
work?

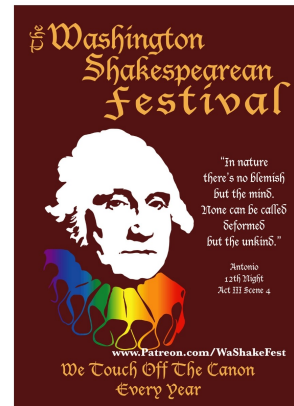

WSF and the Faire organizers sell our “Angels” for \$5.00 each. Patrons keep them as souvenirs, or spend them. Please accept them as Cash in your booth and give them as change. We will buy them back from you for \$5.00 each throughout the Faire. Patrons enjoy buying with Faire Coins!
