Tips & Tricks for Attendees

*Here are some tips and tricks to help you
have a wonderfully fun and safe time at our events.*

1. **Bring some small denomination cash.** While most vendors are able to take card these days, there are a few who stay on a cash basis. There are also a few places you might find you want to give a donation or even tip an entertainer. If you forget, never fear! The money exchange will be at the event with Abigale and Nanny.
2. **Bring a water bottle or be prepared to purchase a drink.** We live in Idaho, we never know what the weather is going to do. So plan ahead, be prepared, and stay hydrated.
3. **Use sunscreen.** Even on cloudy days you can still get a sunburn. For other reasoning, see #2.
4. **Please leave pets at home.** This event has a strict No Dogs Allowed policy. As we have working animals of all kinds that come as a part of people's livelihoods.
Please help us keep our event safe for those who have those working animals.
5. **Dress up!** You'll have so much more fun interacting with everyone while you're in costume, but please remember this event is *kid and family friendly*.
6. **If you're into trinket trading, please make sure that you don't have glass.**
Also, please understand that most trinket traders are children. Get parent permission before offering a trade.
(A trinket trade rules list will be posted separate.)
7. **Plan for Layers.** Again, we live in Idaho.
8. **Bring a reusable shopping bag or be willing to buy one.** Let's not have more plastic waste.
9. **Wear comfortable footwear.** We are in grass and you never know what might be in there.
10. **Stop and take in a show!** All of our wonderful entertainers work hard to put together fantastic experiences for everyone. *Show them some love!*
11. **Take pictures with your friends and family.** *Making memories at these events is the best part.*
