Description of Goods/Services

All Vendors must provide a detailed explanation of the wares they sell. Photos are encouraged. This is to ensure that booth placement will not result in tensions with other vendors, or in a total lack of faire atmosphere.

Please provide a brief list of what you will be selling (A summary of the style of food you sell).

A large shield-shaped graphic with a light green border. Inside the shield is a stylized tree with a thick brown trunk and many thin branches extending outwards. The tree is set against a light green background. Overlaid on the shield are 15 horizontal black lines, providing a space for writing a list of goods or services.
