Description of Goods/Services

All Vendors must provide a detailed explanation of the wares they sell. Photos are encouraged. This is to ensure that booth placement will not result in tensions with other vendors, or in a total lack of faire atmosphere.

Please provide a brief list of what you will be selling (A summary of the style of food you sell).

The form consists of a large shield-shaped graphic. Inside the shield is a stylized tree with a thick trunk and many branches, with roots extending downwards. The tree is rendered in shades of brown and tan. The shield has a light green border. Overlaid on the shield are 15 horizontal black lines, providing space for the vendor to write their description of goods and services.
