Description of Goods/Services

All Vendors must provide a detailed explanation of the wares they sell. Photos are encouraged. This is to ensure that booth placement will not result in tensions with other vendors, or in a total lack of faire atmosphere.

Please provide a brief list of what you will be selling (A summary of the style of food you sell).

The form consists of a large shield-shaped graphic. The shield has a light green background and a brown tree illustration. The tree has a thick trunk and many branches, with some branches ending in decorative swirls. The shield is divided into horizontal lines for writing. The shield has a grey border.
