

Maple Ridge Farm

GRASS FED BEEF

Ground beef	\$10
Ground beef sausage (mild or hot)	\$12
Smoked beef sausage links, bratwurst	\$15
Ribs (dinosaur or BBQ ribs)	\$12
Roasts (arm, shoulder, rump)	\$12
Brisket, beef bacon (brisket), flank steak	\$15
Ox tail, marrow bones, beef bones	\$10
Soup bones, meaty soup bones	\$10
Organ meat (liver, heart, kidney, tongue)	\$10

Our USDA Angus beef is grown out on our farm in a small, low-stress herd. They live freely in open pastures with ample access to top quality forages and hay year-round. Our beef is grass-fed and very lightly grained at finishing with local milled (preservative free) grains. Zero antibiotics, hormones, or vaccines. Meat is aged for 21 days and has zero flavor enhancers, coloring, fillers, or preservatives (with the exception of spices added to the sausage). Our beef is very hearty, lean, and rich in nutrients. Grass fed beef is leaner than grain-fed beef with a slightly more naturally sweet flavor.

GRASS FED PORK

Ground pork (mild or hot)	\$12
Sausage links (mild or hot)	\$12
Bacon (hickory smoked), smoked pork belly	\$15
Tenderloin	\$16
St. Louis Ribs	\$15
Hams, picnic or pork butt	\$10
Fatback, feet, tail, organs, neck bones	\$4
Chorizo	\$14
Fresh hocks	\$10
Organs (tongue, liver, heart, kidney)	\$6

Our Kunekune pork is bred and raised right here on our farm. They live freely in open pastures and are rotated routinely for pasture sustainability and natural worm resistance. Our pork is 100% grass-fed, never vaccinated, and antibiotic free. Meat is aged for one week and has zero flavor enhancers, coloring, fillers, or preservatives (with the exception of spices added to the sausage). Our pork is unlike anything store bought, is lean and tender, and is very delicious.

GRASS FED LAMB

Ground lamb	\$16
Ribs (French 8-bone rack or Denver)	\$25
Lamb loin chops	\$25
Lamb bones	\$10
Organ meat (liver, heart, kidney)	\$10

Our St Croix lamb is bred and raised right here on our farm in a small flock. They live freely in open pastures and are rotated routinely for pasture sustainability and natural worm resistance. Our lamb is 100% grass-fed, never vaccinated, and antibiotic free. Meat is aged for one week and has zero flavor enhancers, coloring, fillers, or preservatives. Our lamb is very rich in flavor, lean, almost a sweet taste, and pairs really well with our grass-fed beef for homemade meatballs or burgers.
