Last month was the gathering for our general church and I was honored to be asked to head up the preschool programming. Lots of planning went into the events for those 5 days, but ultimately, for me, it came down to time spent with children from all over the U.S. that are a part of our denomination. It was exhausting but overwhelmingly fulfilling. All those children looking up at me told of the church's future. It got me thinking about how these children would soon be full of questions for us as faith leaders – as a church – as a denomination.

Those children are no different than ours and they will one day want to know what kind of church we have handed over to them. They will want to know what we have stood for and what difference we have made. Our children will want to know why they should be a part of the church. They will want to be inspired by our faith walks and the life-changing impact we have had on the world around us. They will want to learn from us and be fed with a passion and excitement for the work that we have done as the hands and feet of Jesus. They will want to see that our words are not just empty words, but that our words match our actions. The children will want to know.

So, what will our answer be? Will we say, "here is a church that is comfortable and friendly" or "here is a church that pushes beyond its

comfort zone to do the messy work of Jesus." Will all they see is a beautiful church building or will they see life-changing passionate ministry? Will we say, "here is a church that proclaims love" or "here is a church that demonstrates and lives love by fighting for justice, dignity, and equality for ALL!" What will be our answer?

General Assembly reminded me that we Disciples have a great responsibility to our future generation and what kind of faith community we leave to our children. My favorite scripture verse comes from John 13:15. After Jesus washes the disciples' feet he says to them, "For I have set you an example, that you also should do as I have done to you." Our children are looking to us to set the example. We have the responsibility to inspire them in words and actions. They are looking to us to teach them about Jesus. What will they see???

Pastor Diana

August 2019 Board Splinters

Robin Anctil, Board Chair, called the meeting to order and gave the opening prayer. Ten people were in attendance. The calendar check was completed and the minutes from the July meeting were approved.

Safety: Officer Chad Hillers from the Marshalltown Police Department joined us to discuss building security. With his input, we reviewed the Security Guideline for Central Christian Church. He noted that many churches have unrestricted access and lots of keys out, so we have a good start. Officer Hillers stressed the importance of having a plan to deal with a person coming into the building who is in distress. This could include a meeting place other than the office, and then having the office available for shelter if needed. In addition to locking the doors during service, try to limit access to other parts of the building. Some churches have video or alarm systems. He discussed types of training that could involve our congregation. One type of training is the ALICE: Alert, Lockdown, Inform, Counter, Evacuate. All schools in Marshall County have had this training, as well as other churches and businesses. The basic training would be a classroom situation, and would last for one and a half to two hours. There is the opportunity to have more training that would include active participation and demonstrations.

- a. Pastor Diana noted that the Disciples of Christ denomination is encouraging preparation for an active shooting situation during worship.
- b. The board decided to proceed with the initial classroom type training, with more extensive training a future possibility.

The Police Department does not write policy but will review and advise groups.

Property: Bob Cook noted just two items, the locking mailbox and a new ice maker. Information was given to Jim Gossett, who will work on those purchases.

Personnel: Marcia Gossett reported that Ken Fiscus will retire effective Sunday, Aug. 18. The motion to give him a retirement bonus of one

month's pay was made by Marcia Gossett and seconded by Marla Cook. Motion approved. Mike Nablo will assume all custodial duties. His schedule will not include Sunday mornings, so the Property Committee will make a plan to cover these responsibilities. It was noted that Karen and Mike will be gone for a September vacation. The Personnel Committee will schedule coverage for their duties.

Finance/Treasurer: Jim Gossett reported that giving for July was down. Some of the expenses noted were the Youth Mission trip, the Pastor education expenditure, Beth Campbell's Nicaragua Mission and Allison Sherman's Mission to Africa. All of these except for Allison's were on hand and from designated accounts. As of the Board meeting date, the congregation had given \$1,051 toward Allison's Mission, to be matched with \$1000 from Missions and Christian Education. We also wrote Beth a check for \$1985.50 for Nicaragua, which was donated by members over the past two years. The Board wants to express thanks for continued giving.

Missions: Judy Osgood reported that the Missions Committee agreed to donate \$600 toward former member Allison Sherman's mission trip to Kenya. We are collecting items to help fill the shelves at the Tiger Vault at Iowa Valley Community College. These are items needed by college students. We are also collecting non-food items for the Supply Closet at the House of Compassion until the end of August.

Deacons: Carolyn Thompson
No report.

Worship: Robin Anctil
No Report.

Christian Ed: Melia Chapman
No Report.

Elders: Jim Anctil
No Report.

Congregational Representatives: Marla Cook and Carolyn Thompson Carolyn Thompson sent a written report addressing member concerns. Pastor Diana and the Board take these concerns seriously, and very much appreciate this input.

DWF: Sarah Sade Three cards were sent and baby quilt was sold.

Pastor's Report: Diana stressed that the Board puts policies into place. Staff members do not, and should not be subjected to abuse.

- a. Efforts are made to communicate church information. Events and information are included in the Newsletter, during announcement time, on the screens, through emails and on the Central Facebook page.
- b. The Tree - The Magnolia tree is split and not safe. Jim Gossett made the motion to remove it, Mary Hazelwood seconded and the motion was approved.
- c. Dates: September 1 - Hymn Sing (Collette will facilitate)
- d. September 22 - Potluck luncheon with our nesting congregation at 1:00. Worship will move to 11:30 for that day only.
- e. September 29 - Pastor Diana will be gone. The new regional interim pastor John Richardson will be in the pulpit.

Old Business: The Security Guidelines have been updated. Marla Cook made a motion to accept them as written. Melia seconded, and the motion was approved.

The Potluck with our nesting congregation is happening. Their youth will help with clean-up.

New Business/Other Items:

The Security Team will schedule a meeting in August. Members are: Pastor Diana, Karen Nablo, Jim Anctil, Robin Anctil, Jim Gossett, Mike Nablo.

There is a form required by the Secretary of State to completed every other year to maintain our business status. It is suggested that this be placed on the December agenda as a reminder to complete it.

Robin will contact members of the Nominating Committee, since August is the time for that process to get started.

Jim Gossett presented information about Allison Sherman's African mission and fundraising. The congregation will see announcements on the screen and in the bulletin and hear an announcement/explanation Sunday, July 21.

Meeting was adjourned.

Mission News

In September, Missions will be collecting items needed at the Iowa River Hospice House. In the past,

DWF has made frozen cookie dough balls for them to have to bake for the families of the patients. If anyone wants to do that, it would be wonderful. Put 12 cookie dough balls in a freezer bag, mark them for the Hospice House and put them in the freezer in the church kitchen. They will bake them fresh at the Hospice House.

The items always needed at the Hospice House are: toilet paper, paper towels, copy paper, pens,

coffee (regular and decaf), Keurig cups, paper plates, napkins, styrofoam cups, kleenex, Febreze Air Effects (Linen and Sky), Clorox Clean-Up (cleaner plus bleach), 2.5 gallon storage bags and Garbage bags (drawstring kitchen type).

If you don't have time to shop, you can make a monetary donation to the Hospice House. Please make your checks out to Iowa River Hospice and mark it as donation. A donation container will be available.

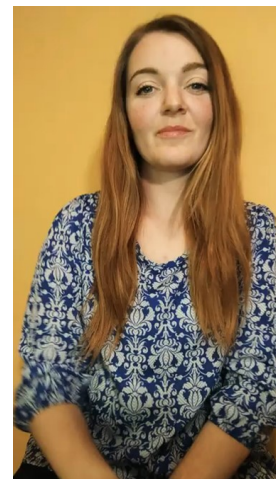

Kenya Mission Update

Allison Sherman was very active in Central's youth groups during the early 2000's along with her sister Secily, Kelly (Ancil) Bailey, Melia (Cook) Chapman, the Dalluge boys and others. She is planning to travel to Kenya for mission work in September with the Africa Inland Mission organization.

You have stepped forward in a big way to support her mission by giving \$1,051. Along with this, \$400 was given from the Christian Education Memorial account and \$600 from the Missions Memorial

account for a total of \$2,051. Allison feels very blessed with this major step towards her \$9,800 goal for a six (6) month stay for missionary training, airfare, other transportation, food, housing, medical insurance and more.

Allison's response was, "Wow, I am so amazed at how much was donated!! I feel so blessed by the generosity of all those who donated and the matching gift of the church. It will go such a long way, and I feel so grateful. God bless and I thank God for you all!"

Prayer Concerns

Jeff Sommerlot, Lois Brown, Linda Blackford, Kevin Meyer, Jackie Fiscus, Arlene Cripps, Marilyn Denton, Jim Maxted, Max Graves, Amanda Bearman, Gloria Wood, Don Romig, Nancy Browning, Corban Pierce & Family, Tammy Losing & Family, Ruth Himes, Bill McLeland, Virginia Gilson, Catherine Hickok, Dorothy Borton, Barbara Burt, Bobby Weishaubt, Shawn Cooke, Carol Hoing, Lisa Smith, Karen Barret, Leanna Bowers, AnnaMarie Charloft, and those who are homebound

Nicaragua - Building Bridges

On this last trip to Nicaragua we built a bridge so that during the rainy season several families aren't cut off from the rest of the village and so that the kids can get to school. One 15 year old girl had nearly drowned last rainy season and suffered broken ribs and many cuts. She was so glad that she didn't have to worry about that happening to anyone else. She worked hard beside the group as we worked together with families in the village to complete the bridge. We

met with the village committee and asked them for future projects and what small items they needed. With the money that you so generously sent with me I was able to purchase the following. 8 mattresses, 20 school desks for the high school, a blood pressure cuff and a doppler to hear baby heart beats for the health clinic, 100 notebooks for the school and purchased some meds for a woman with a severe infection in her leg. We also filled bags with school

supplies that you provided for all the classes in both schools. The teachers were so thankful to have things for the kids whose families can't afford supplies. Here are a few pictures from the trip and again thanks for all you do to empower Santa Emilia families to improve their lives.

Beth Campbell

Retirement

On Sunday, August 18, 2019, Central Christian Church celebrated and honored Ken Fiscus for his 15+ years as the building's custodian. Ken may have hung up his custodian hat; however, he has not hung up his brother in Christ hat and will continue to be an integral part of the Central Christian Church family. As many of you know, Ken and/or Anne have served on many commit-

tees and on the Church Board in just about every capacity. They have helped lay the foundation of this church for which generations to come will build upon and the body of Christ who meets in this building have an immense indebtedness to Ken and Anne.

As a church family we have become accustomed to the knowledge that

Ken has regarding the needs/setups of various groups and events, as well as the operations of the building. Now we are entering into a learning phase with custodian Mike Nablo. Communication with Mike is essential. As Jonathan Raymond stated, "You can't know what you don't know. You can't know about things you have yet to discover."

Gatherers

Gatherers will be Sunday, September 15th at 5:30 PM at Zeno's Pizza. Carl and Judy Osgood will be hosting. We hope you will be able to come enjoy time together!

The Good with the Bad

Our awesome Congregational Representatives are elected each year to serve on the Church Board. They are the eyes and ears of the congregation, and their purpose is to receive comments from the congregation and share them with the Board, and then report back to the congregation to ensure good communications all around. The current Congregational Representatives are Marla Cook and Carolyn Thompson.

At this month's Board meeting, the Congregational Representatives shared numerous comments that were all generally negative. One of the complaints, that the current printed church directories "look tacky," was hurtful to the church

member (who is on the board) who VOLUNTEERED and created those directories.

Here's the Church Board's request back to the congregation: If you have a complaint that needs to be shared, can you word it in such a way that won't be potentially hurtful to someone? Can you please include a suggestion or proposed solution(s) to accompany it? Will you also consider offering positive observations and comments to be shared? If it's a complaint that the Board can't really address (e.g. You don't appreciate or want to participate in a particular event), maybe you can just keep that to yourself?

The Church Board generally communicates via Sunday morning announcements and newsletter articles. If there's something you want to know, those are good places to get that information.

The Church Board is willing and able to receive criticism and complaints, but we're just a bunch of humans who also appreciate hearing a kind word or two. Our church home will be a happier and healthier place if we all collaborate to make improvements, respect one another, avoid gossip, and speak kindly!

Robin Anctil, Board Chairperson

Women's Fall Retreat

Reclaiming Our Souls Through Friendship

Christian Church in the
Upper Midwest

Women's Fall Retreat

Lake Koronis Assembly Grounds
Paynesville, MN
September 27-29, 2019

What is Fall Retreat?

Each autumn, women gather for a weekend away from the everyday. We learn, pray, sing, play, rest, and build relationships (and let someone else make our meals). We enjoy the beauty of the change of season on the shore of Lake Koronis. We are touched by each other's stories and we might shed a tear or two and almost certainly will laugh a lot! The Retreat is yours for what you need - activities, rest, learning, enjoying nature, reading, craft projects, and being with other delightful women!

What is the form of this year's Retreat theme?

We're trying something new this year! Instead of hearing from a keynote speaker in person, this year we'll have video presentations (TEDx downloads) by Shasta Nelson on the theme of the importance of friendships to our lives, followed by discussions and activities to deepen our connections with each other. We are excited that Rev. Anjeanette Perkins, a long-time attendee of the Fall Retreat, will be our Chaplain this year!

Bell and Vocal Choir

Bell and Vocal choirs will be starting back up on Wednesday, Sept. 4th. On that night bring a savory or sweet treat to share in the narthex area. Bells will meet at 6pm. Fellowship and treats will be from 6:45 to about 7:15pm and Vocal choir will rehearse at 7:15-8pm. We will then run the same rehearsal times as last year: Bells 6-7pm and Vocal 7-8pm on Wednesday nights. We usually perform once or twice a month through the month of May including Christmas Eve, Palm Sunday, Maundy Thursday and Easter.

If you can't come the first night join us on any Wednesday you are able.

We would love to have more people join us for either choir. If you are unable to make some rehearsals or performances it's not a problem. It is a very flexible activity to be a part of. If you love to sing, join us for the fun and fellowship of the Vocal choir whenever you can. We would also like to encourage those who can read music to join the bell choir. We can teach you how to play the bells. You are usually only responsi-

ble for playing two bells (notes) at a time and we can put you on optional parts. You can then practice your skills until you are comfortable with performing as part the whole group. Learn a new skill; you will have fun! 7th -12th grade students are invited to join these choirs as well. We know you get busy with school activities, but we would love to have you come and share your youthful voices and music skills with us as well.

Valerie Sondag
Music Director

OUR Nesting Congregation

Since May 2017, our congregation has hosted a Spanish-speaking Assembly of God congregation, Camino de Vida (Way of Life), commonly referred to as "the nesting congregation." The group previously met at the Best Western Regency, but was unable to afford room rental given it's small membership of just four families.

Under the leadership of Pastors Victor and Toni Valdez, the nesting congregation meets here on Wednesday evenings and Sunday afternoons/early evenings for wor-

ship and Bible study; it also uses the building at other times with permission from the staff. The group gives a free-will offering to our church and is hopeful, over time, to grow its participation to numbers sufficient to finance a building and move into their own location. According to research on nesting congregations, that could take several years.

Currently, Camino de Vida has weekly participation of about 25-30 people. Our Church Board is planning to schedule a time this fall when our two congregations can

meet for a potluck meal and get acquainted. The nesting congregation continues to be grateful for the opportunity to worship in our building.

Our Church Board is interested in any questions you have or feedback you'd like to provide about the nesting congregation. Please contact us or any Board member (or Pastor Diana) to let your thoughts be known!

Jim and Robin Anctil

Bench Outside the Ramp Door

You may have noticed in June and July that we had some unpleasant stains and messes outside at the ramp entrance. It was reported that someone was spending time on the lovely donated bench there, but unfortunately that person was spilling food and beverages, spitting tobacco, and leaving some otherwise messy evidence that he/she been

visiting. The messes required frequent cleaning by our custodians.

In hopes of discouraging this behavior, the bench has been temporarily removed and placed inside the entrance. It will be replaced in a few weeks, and hopefully won't attract this same messy visitor.

If anyone has other solutions to this unusual problem, please share those with the church staff. We love having people visit our church, and we love to see the donated bench being used for rest and relaxation. We hated to put the bench inside, but we were unable to identify/speak with the person responsible and we wanted to put a stop to the messes.

Please Contact the Office Manager

So you noticed that something needed repair in the church? Or maybe you want to borrow tables for a garage sale? An extension cord for VBS use? Who should you contact?!

In the past, I think we've all reported various things to various people, right? Maybe you mentioned something to the minister, the custodian, or someone on Property Committee? Maybe you just borrowed an item and returned it when you were done with it? Perhaps you never reported something because you didn't know who to contact?

You'll be hearing more in the near future about building security, and this topic is somewhat related. Because we've had security issues in recent months, our church staff have been extra watchful about what's happening in and around the building. Recently, our custodian reported several items missing ... no one had mentioned borrowing them, so we believed the items might have been stolen. Several weeks later, some of those items were returned. Which leads me to this article!

If you see something in the church that needs to be repaired, please inform Karen Nablo, our Office

Manager. Karen will be our central point of contact, thus ensuring that two or three people aren't contacting various electricians or plumbers about some issue or another. Want to borrow an item? Let Karen know! Notice something missing? Let Karen know! See how easy this is?!

Many thanks for your help in making Karen our central contact for all these kinds of things. We believe that this will increase our church's ability to stay on top of the situation in the future!

Robin Anctil, Board Chair

Sunday, September 22

Mark Your Calendars!

On Sunday, September 22nd Worship Service will be at 11:30am instead of 10:10am followed by a potluck of fellowship with our nesting congregation.

We are excited about this opportunity to enjoy a meal and get acquainted with other members of the Body of Christ.

Bring a dish to share and join in the celebration!

UPDATED - Security Guideline for Central Christian

To create a safer and more secure church environment for our staff, members and invited guests, Central Christian Church has implemented these facility-related guidelines:

- ◆ We are limiting the number of doors open for public access. The south/ramp door will remain locked at all times.
 - ◇ Anyone who wishes to enter during church office hours (Tuesday through Friday from 9am to 1pm) will be required to press the doorbell/security buzzer (**even if he/she has a church key**).
 - ◇ Once admitted into the building, people are asked to **let the Office Administrator/Minister know where they will be and also when they are leaving the building**. In this way, the staff will always know who is in the building, which greatly increases their own sense of personal safety and well-being.
 - ◇ At the staff's discretion, the west/gathering area door can be locked if no one within eyesight/earshot to monitor incoming traffic or unlocked if staff are able to monitor traffic. All other doors will remain locked unless being used as an emergency exit.
- ◆ On Sunday mornings, the south/ramp and west/gathering area doors will be open from 8:30 until 10:10am, at which time the south/ramp door will be locked by the Deacon Captain. The Deacon Captain will be in the gathering area and will lock the west/gathering area doors following the Announcements (about 10:20am). Anyone wanting access to the building after that time should use the west door and flag the Deacon Captain for entrance.
- ◆ Signage will be posted so that members and guests know how and when to access the building on any given day.
- ◆ The church has non-duplicatable keys and is limiting access to those keys. Those to be assigned keys include: all staff, Board Chair, Board Vice Chair, Treasurer, Property Committee members, Finance Committee members, Personnel Chair, Christian Education Chair, Worship Committee Chair, DWF Chair, DWF Hospitality Chair (funerals/weddings), Missions Chair, and Deacon Chair. Invited building guests who sign a Building Use Form will also be assigned a church key. **Staff members are not authorized to assign keys except to those named here.**
 - ◇ The Office Administrator will keep track of all assigned keys, and key assignments will be reviewed annually (December/January) by the Church Board.
 - ◇ Those who need a church key for an event (e.g. Rummage Sale, Holiday Stroll meal, youth event, facility rentals, Vacation Bible School, etc.) can check one out from the church office for a specific time period, after which time the key should be returned. There will be a \$10 security deposit for checked out keys, which will be returned when the key is returned to the office.
 - ◇ Anyone else who wants a church key can contact the Board Chair or other Board member and the Board will consider that request at its next meeting.
- ◆ Those with keys who access the building outside of church office hours are urged to be vigilant and safety conscious. **At no time and for no reason should church doors be propped open without someone watching the door.**
- ◆ This Security Guideline will be provided to all members with building keys and invited building guests (e.g. Narcotics Anonymous, Nesting Congregation, Sweet Adelines, etc.), as well as those assigned temporary building keys. All keyholders will be asked to sign the Guideline below. The signed document will be kept in the church office, and keyholders will be given a copy.
 - ◇ It is recommended by the Church Safety Team that the guideline be published in the church newsletter annually.
- ◆ **SECURITY GUIDELINE VIOLATIONS**
 - ◇ Any member who violates this guideline will be provided with a printed copy of the guideline and asked to affirm his/her understanding of the guideline and willingness to comply.
 - ◇ Member keyholders who violate this guideline will be reminded of their signed agreement to comply with the guideline. Keyholders who repeatedly violate the guideline will be asked to turn in their building key.
 - ◇ Any invited building guests who violate this guideline will be reminded of their signed Building Usage Form/Security Guideline and asked to reaffirm their willingness to comply. Those who repeatedly violate the guideline will be asked to find another location for their meetings/events and turn in their building key.

Training and instructions on how to operate the buzzer/access system will be provided to any member interested; contact a staff member for training.

The Church Board and Church Safety Team welcome comments, questions, and suggested improvements at any time. Please direct any comments, questions, or suggestions to the Board Chair, Minister, or any Church Board member or Safety Team member. All input will be considered in a timely manner, and feedback will be provided as appropriate.
