

Hero Homebuyer Credit

Who are we?

We are a branch of American Financial Network, Inc., one of the largest lenders in California. As a Direct Lender we originate, process, underwrite, and fund in-house; this allows for fast turn times and gives us the ability to close on time. We are the only branch within American Financial Network, Inc. to offer the Hero Homebuyer Credit. We are not acting on behalf or at the direction of any Federal or State Government agency.

What is the Hero Homebuyer Credit?

The Hero Homebuyer Credit is designed to help our heroes buy their home by offering up to \$30,000 to cover closing costs and expenses. There is no repayment of the funds and no increase in interest rate.*

What fees are covered by the Homebuyer Credit?

The Hero Credit covers up to \$30,000 of the closing costs with no repayment or addition to the loan balance. The Homebuyer credit can be used to cover the following items:

Escrow Fees, Title Fees, Lender Fees, Underwriting, Processing, Notary, Funding, Loan Docs, Origination Fee, Recording, and any buyer related fees!

Does the borrower have to repay the funds?

No. There is no repayment of the funds received, and there is nothing added to the loan amount.

Is it limited to first time buyers?

The credit is not limited to first time buyers. It can be used to purchase a primary residence, secondary residence, investment property, and up to 4 unit buildings.

Is there an income limit?

Unlike other programs, we do not have income restrictions. As long as you qualify for financing, you are eligible for the credit.

Can it be used to help sell a home?

Yes. If you are eligible for the Hero Homebuyer Credit you can offer the program to the buyer of your home, even if you decide not to use the program yourself. The buyer does not have to be eligible since you already are! The Hero Homebuyer Credit can save your buyer up to \$30,000, making it much easier and less expensive than any other home on the market. The Hero Homebuyer Credit may increase your profit by reducing the cost of selling your home. This may help you sell your home faster and for the price you are asking.

What financing options are available?

We offer FHA, VA, Conventional, and USDA financing.

What is the interest rate?

The interest rate is based upon the loan program (FHA, VA, Conventional or USDA), the down payment if any, the credit and credit score, and many other factors. But we are at “market rate” meaning we do not increase the interest rate when using the Homebuyer Credit.

Does it delay the closing?

Loan origination, processing, underwriting, and funding is all done in house which allows us to close quickly and on time. There are no additional steps or delay in closing when using the Hero Homebuyer Credit.
