Equip Mental Health App

The equipt app is designed to improve the mental health of Canadian police officers (both former and current) as well as their families as they conduct vital work that unfortunately places them at a greater risk of psychological distress.

A brief overview of the tools available -

Lifestyle Tools: These tools offer long term strategies to build resilience and prevent the onset of mental health disorders such as anxiety and depression. The tools focus on critical aspects of health such as sleep, physical activity, social connection and staying positive.

Rapid Response: These tools offer strategies that users can implement to relieve immediate stress, in the moment. All tools are mindfulness based, and reconnect the user with the present moment.

Call Backup: This tool provides the user access to geographically relevant, immediate mental health support, for when symptoms progress and professional assistance is necessary.

A full walkthrough of the tools can be found here <https://drive.google.com/file/d/1dpGTGqnYb81vI3-SGjVRJg14DL2LOd0Y/view>, and you can download the app through the Apple App Store and Google Play Store, or can download via QR code:
