

## Hi Everyone! It's Countdown to JULY 1st!

Performing Artist Peggy Weston Releases Timely Book About the Powerful Benefits of Singing

*A LEGACY OF SONG* is Weston's first book and the first for this indie publisher. Combining her lifetime in the performing arts and her extensive research, she has created a book to increase your appreciation for singing as a significant form of expression and communication - and how it's surprisingly beneficial in improving health. Weston explains how physics and singing are connected, revealing the beautiful purpose of song.

*\*A Legacy of Song is available July 1st.\** Order now online at bookstores, libraries. Global distribution. Please visit: (click links)
