Any special directions to find the wedding venue?

Is there a wedding theme? (School pride? Under the sea? Second time's the charm?)

What religious aspects, customs, traditions would you like to incorporate/avoid, if any? (e.g., readings, prayers, stepping on a glass, etc.)? Are you of different faiths? Should any customs of each be incorporated?

Are there any special acknowledgements (remembrance of loved ones, thanks to that benevolent uncle, etc.)

How did you meet? Is there a meet-cute story? How long have you know/dated each other?

What are some things that attract you to one another?

Are there any hobbies or "obsessions" to include?

Is there anything to avoid (ex-spouses, previous relationships, embarrassing stories, etc.)

Do you want to write your own vows?

Who is escorting the bride down the aisle (if applicable)?

Do you want to include the question "Who presents this person in marriage"?

Will there be a DJ or musicians for the ceremony?

Will there be a microphone available for the ceremony?

* If your wedding is outside and/or you have more than 50 guests, it is advised to have a microphone.

Do you want your guests to take pictures or videos with their phones?

Any other special requests?
